---

<sup>1</sup> D.C. Law 1-21; D.C. Official Code § 1-309.01 *et seq.*

WHEREAS, in reviewing the cafe design, ANC 6E expressed concern that the curb at the corner of K Street NW the public alley on the east side of the cafe creates an accessibility barrier and the proposed sidewalk cafe design that constrict pedestrian passage on the curbside sidewalk lane creates unacceptable barriers to accessibility (see Appendix Figure 1);

WHEREAS, in reviewing the Application, ANC 6E requested the following changes to the sidewalk cafe design:

- Include a 4-foot pathway parallel and adjacent to the public alley on the east side of the sidewalk cafe to allow pedestrians to safely cross the alley without the need to step off the curb at the corner of K Street NW and the public alley; and
- Make all necessary changes to the location and arrangement of the cafe fixtures to facilitate said 4-foot pathway.

THEREFORE, BE IT RESOLVED that ANC 6E conditionally supports the application for a New Unenclosed Sidewalk Cafe at 508 K Street NW under the condition that the designs are modified to include a 4-foot pedestrian pathway parallel and adjacent to the public alley on the east side of the sidewalk cafe;

ON BEHALF OF THE COMMISSION.

Sincerely,
