RE: Request for Speed Humps on the 400 Block of Warner Street NW

Dear Director Lott:

On March 1, 2022, at the duly noticed and regularly scheduled meeting of the Advisory Neighborhood Commission 6E ("ANC 6E" or "Commission") and with a quorum of 6 out of seven Commissioners and the public present, ANC 6E approved the following resolution by a vote of 6 for, 0 against, and 0 abstentions:

WHEREAS, the Duties and Responsibilities of the Advisory Neighborhood Commission Act of 1975 grants ANC 6E the responsibility to advise the Council of the District of Columbia, the Mayor, and each executive agency and all independent agencies, boards, and commissions of the government of the District of Columbia with respect to all matters of District government policy, including decisions regarding planning, streets, recreation, social services programs, education, health, safety, and sanitation which affect the ANC 6E area,

WHEREAS, the 400 Block of Warner Street NW is located within the jurisdictional boundaries of ANC 6E and within Single Member District 6E02,¹

WHEREAS, the 400 Block of Warner Street NW has the functional classification of local street, is a two-way residential street, with a default speed limit of 20 MPH;

WHEREAS, several neighbors living on the 400 Block of Warner Street NW have complained of drivers speeding, using Warner Street as a vehicle cut-through, and failing to come to complete stops at stop signs and pedestrian crossings;

WHEREAS, speed humps are generally effective at reducing vehicle speed, improving stop sign compliance, and discouraging cut-through traffic;

WHEREAS, in October 2021, speed humps were installed on the 1600 Block of 5th Street NW, adjacent to the 400 Block of Warner Street NW, which have successfully reduced driver speed, increased stop sign compliance, and improved overall street safety on the 1600 Block of 5th Street NW;

¹ Single Member District 6E02 was redistricted to Ward 2 on January 1, 2022.

WHEREAS, Commissioner Alex Lopez (SMD 6E02) submitted a Traffic Safety Assessment request related to this resolution on February 24, 2022, with the request number 22-00085429;

THEREFORE, BE IT RESOLVED that ANC 6E requests that DDOT install vertical speed control devices, such as speed humps, on 400 Block of Warner Street NW.

ON BEHALF OF THE COMMISSION,

Sincerely,
