About the NoMa Parks Foundation

NoMa Parks Foundation

Established 2012

*Public-private partnership
with DC government to
plan, acquire, design, and
build parks.*

IMPROVING THE
LIVES OF PEOPLE IN
NOMA TODAY AND
FOR GENERATIONS
TO COME.

The NoMa Parks Foundation strives to establish welcoming, sustainable, beautiful spaces where people can play, refresh and connect in NoMa, now and in the future.

NoMa Meander

The Meander is envisioned as a set of pedestrian-retail promenades between the “superblocks” between North Capitol Street and First Street NE.

NoMa Meander

Skanska was the first to build improvements on The Meander. Its RESA building includes an apartment building with a main lobby entrance on The Meander as well as two retail spaces, one currently occupied by King Street Oyster Bar and the other by the Duncan Dog Hotel.
